DISCOVER THE KEYS TO POWERFUL PRAYER

Prayer can change lives and circumstance like nothing else can.

What are the keys that unlock its power, that turn prayer from a mere activity into a vital link with God and all His resources?

Jim Cymbala, Senior Pastor of The Brooklyn Tabernacle, shows you truths about prayer that God has used to turn his own church from a tiny, struggling inner-city congregation into a vital, thriving community of believers who pray with passion,

focus, and faith.

The Best Question Ever

You are about to be introduced to a single question that will revolutionize the way you make decisions. Andy Stanley poses this question as a filter through which to evaluate every decision in every arena of your life. No matter who you are, this is something we all share in common. Imagine if we could learn to see clearly before we make some of our dumb decisions? Well, not only is that something we desire, it's what God wants for us as well.

I Promise

After 5 years of research I Promise will help you to develop a marriage where you both have the freedom to be open & secure without fear of being criticized, blamed or judged by each other. A safe place where your relationship grows deeper naturally.

It Came From Within!

Where did that come from? You know that horrible, sinking feeling you have when something comes out of your mouth that you didn't expect - that is just so unlike you. Did you know those words are a reflection of a bigger problem lurking beneath the surface? The scary truth is that the words you "accidentally" speak and the actions you later regret are actually in keeping with what's hiding in your heart.
